Humphrey Partners and its advisers (**we** or **us**) are authorised to provide retail financial services outlined in this Website Disclosure Information.

Our Licensee

To provide financial advice, advisers must either hold an Australian Financial Services Licence (AFSL) or be authorised to offer advice by an AFSL holder. We are licensed through Radius Wealth Pty Ltd (Radius Wealth), which is entirely privately owned and operates its own AFSL. Radius Wealth ensures that the advice we offer complies with all legal and regulatory requirements, and it provides us with Professional Indemnity insurance and dispute resolution systems. Humphrey Partners pays a fixed fee for the services, systems, and insurance provided by Radius Wealth.

Not Independent

The Licensee is not “independent”, “impartial” or “unbiased” in relation to the personal advice it provides. The Licensee is not permitted to use those or similar terms in accordance with section 923A of the *Corporations Act*.

The Licensee is not independent because it receives commissions from life insurance providers. These commissions **may create a potential conflict of interest that could influence the advice provided**, although we are required by law to act in your best interests at all times. Please refer to the sections on Fees in this WDI for further information on commissions the Licensee may receive.

The distribution of this Website Disclosure Information is authorised by the Licensee.

Purpose of Website Disclosure Information (WDI)

The purpose of this WDI is to inform you of our services and fees and assist you when deciding whether to use those services. This WDI includes information about:

- the financial services and products we provide;
- the advice and documents you may receive;
- your privacy and how we collect your personal information;
- what to do if you have a complaint;
- the significant relationships and associations we have;
- the remuneration and other benefits that may be received by us or other relevant persons in connection to the financial services we provide to you; and
- fees and charges for our services.

Financial services we provide

The Licensee authorises us to provide financial services including financial product advice (general and personal advice) and deal in financial products including:

- cash flow and debt management
- margin lending
- retirement planning
- strategies for business owners
- superannuation
- tax effective investing
- wealth protection and estate planning
- other services – advice regarding redundancy packages; dealing with disability payout tax effectively; management of inheritances; strategies for philanthropy and charitable giving; lifestyle planning/consulting on important financial decisions.

How can you provide us with instructions?

You can give us instructions in writing, by phone, email or any other means that we agree with you from time to time.

Documents you may receive

In addition to this WDI, you will receive other important documents. Please refer to the following definitions for a description of the documents you are likely to receive:

Statement of Advice (SOA)

If we provide personal financial advice to you, we typically must provide you with a SOA. We typically must give the SOA to you the first time we provide you with personal advice about financial products or where there has been a significant change in your circumstances.

We provide personal advice when we take your personal circumstances into account when providing the advice. Personal advice can be given on your complete financial situation or on limited areas you require advice on – we will discuss the scope of the advice before we start work.

We typically must provide you the SOA before we provide any services to implement our recommendations. We have legal and ethical obligations to ensure that the advice and recommendations we provide to you are in your best interests.

The SOA will include the following information:

- our advice and the grounds for our recommendations;
- information about fees and commissions that may be received by us for the advice; and
- any associations, relationships or interests that may influence the advice we provide.

Where the personal financial product advice relates only to a basic deposit product an SOA will not be provided.

Advice (ROA)

We may also record our advice through preparing a record of advice in some circumstances instead of providing you with an SOA. If you have not been provided with a copy of the ROA, you may request a copy of it free of charge at any time within seven years after the advice was provided to you, by contacting us.

Terms of Engagement (TOE)

The Terms of Engagement will be tailored to your specific requirements and outlines the benefits, services and support we will provide you. It will contain terms and conditions for our fees and costs for providing and implementing our advice.

Product Disclosure Statement (PDS)

If we make a recommendation on certain financial products (other than securities) or arrange the issue of a financial product, you will receive a PDS. The PDS outlines the key features, significant benefits, risks and fees associated with the financial product.

Fees and charges

We will agree to all fees with you in advance and will not proceed with providing personal advice until you have provided your consent. All fees are **inclusive** of GST (where applicable).

Fixed One-off fees

We may charge a one-off fee for providing and implementing a discrete piece of advice or processing a transaction for you.

Our fixed fee for the preparation of personal advice typically ranges from \$4,400 to \$11,000+, depending on the complexity of your circumstances and the amount of time we expect our advice to take.

Hourly One-off fees

Hourly billing can be used where advice scope is limited or transactional in nature. Our hourly rate is from \$330. We will provide an estimate of the number of hours and the total fee payable before we provide the service or advice to you.

If our advice is in relation to life insurance products, we can be remunerated by commissions paid by life insurers, by an agreed fixed fee, or by a combination of both.

Ongoing fees

If you enter into an ongoing service arrangement, you will receive a defined suite of services, which may include:

- Annual or periodic portfolio reviews;
- Performance reporting;
- Strategic advice updates;
- Access to your adviser as required

Our ongoing service fees typically range from \$6,600 to \$15,000+ per annum depending on the complexity of your affairs and level of service provided.

Important: All fees will be clearly disclosed in dollar terms in your Statement of Advice, Record of Advice and ongoing fee arrangements.

Fee disclosure

Details of these fees and benefits will be provided to you in an engagement letter or services agreement before we provide advice and will be included in the SOA or ROA provided to you.

Please contact us if you require any further information about how we or our advisers are remunerated.

Associations

We are required to disclose any associations or relationships between us, our related entities and product issuers that could reasonably be capable of influencing the financial services we provide to you.

Chris Humphrey owns and operates Humphrey Partners **and** Radius Wealth and therefore benefits from the profits generated by both entities. This relationship may create a potential conflict of interest.

Commission and other benefits

Where commissions are received, you will either:

- Pay a fee instead of commissions; or
- Proceed with commission-based remuneration where appropriate.

We will always explain the impact of these options to you before you make a decision.

Initial commission

We may receive commission of:

- up to 66% of the first year's premium for new policies implemented from 1 January 2020
- up to 130% of the first year's premium for policies implemented prior to 1 January 2020.

Where you change the level of cover on a policy and your premium increases as a result, we may receive commission on the increase in the premium (e.g. if your premium was \$1,000 and it is now \$1,200, we would receive "initial" commission on the additional \$200). This commission is capped at the percentage applicable in the year that you implemented the policy – e.g. if you commenced a policy in June 2018 with 88% initial commission and you increase the cover now, we may receive up to 88% of the increase in premium (\$176).

We may also receive "initial" commission on the increase to the premium of existing policies that were implemented prior to 1 January 2020 (where that increase is a result of action by you).

Ongoing commission

We receive ongoing commission calculated as a percentage of the premium paid to the insurer.

Ongoing commission on policies entered into after 1 January 2020 is capped at a maximum of 22% of the commission.

For policies established before 1 January 2020, we may receive ongoing commission between 0% and 31.5% of the annual premium for as long as you hold the product.
